

Dear Participants,

The participants who have not yet created their Trailhead (Trailblazer) account can follow the steps below carefully, as this account will be used throughout the program for learning, tracking progress, and completing modules and superbadges.

Steps to create a Trailhead account:

- * Open the Trailhead website: trailhead.salesforce.com
- * Click Sign Up and enter the email address you registered with for APSCHÉ
- * Enter the OTP sent to your email
- * Select the Role as Administrator
- * Fill in Company Name with the name of your college or institution
- * Choose Relationship with Salesforce as Prospect or Partner

Steps to get your Trailblazer / Trailhead profile link (Profile URL):

- * Log in to your Trailhead account
- * Click the avatar/profile icon in the top-right corner
- * Select Profile → Copy your profile URL

How to make your Trailhead profile URL public:

- * Log in to Trailhead
- * Click the avatar/profile icon in the top-right corner
- * Select Settings → Under Profile Privacy, choose Public

Registered mail id is the mail id through which you registered for this APSCHÉ Program
